

EX DeLuxe - the best is rarely this affordable

Meet the innovative Yamaha EX DeLuxe - for people who want maximum reliability and sheer on-water fun, in an agile machine that's both versatile and easy to handle.

The EX Series has been designed with all the reliability and technical innovation for which Yamaha WaveRunners are legendary, but with a rare no-frills approach that delivers unprecedented affordability. So this DeLuxe model, at the top of our EX line-up, is a really feature and value-packed machine!

High on the list of its many advantages is our revolutionary Ride® technology, a simple-to-use and intuitive control system which has already transformed the riding habits of the watercraft world on our top models.

- ▶ Powerful Yamaha TR-1 engine - 3-cyl 1049cc
- ▶ Tough, light hull design - HyperFlow jet pump
- ▶ Revolutionary Ride® system - intuitive control
- ▶ Precision-sewn 2-colour seat - 3 people in comfort
- ▶ Clear and informative multi-function LED meters
- ▶ Speedo and Tacho + Fuel level and Hours Run
- ▶ Stylish colours and attractive modern graphics
- ▶ Glove Box, plus in-bow and under-seat storage
- ▶ Large 50L fuel capacity - so the fun lasts longer
- ▶ Convenient and comfortable re-boarding handle
- ▶ Strong tow hook for toys, skiing or wakeboarding
- ▶ Non-slip mats - comfortable for the feet

***Watercraft
technology that's
trusted the world
over***

Today's WaveRunner enjoys a world-leading reputation for reliability and all-round performance earned over many years – and we've always led the way with our pioneering development of efficient 4-stroke technology. The result? No other watercraft comes close.

From the revolutionary RiDE system - to our lightweight NanoXcel2® hulls - to our supercharged 4-stroke 1812cc engine, Yamaha's innovative design, technology and engineering is at the cutting edge.

Our attention to detail and sheer build quality add luxury to the package, so the result is a magical blend of performance and comfort, equally suited to cruising or sports riding.

**Powerful TR-1 engine - 3 cyl 1049cc**

Despite its surprising affordability, the exciting EX DeLuxe is powered by the latest version of our innovative 3-cylinder engine, the 1049cc Yamaha TR-1. It's a compact, lightweight unit that packs real punch - with lively acceleration and great top-end power, plus the legendary economy and reliability you expect from a Yamaha.

Designed for all-round handling and performance

The smooth, quiet power, compact dimensions and light weight of the TR-1 engine, matched with the tough, durable and well-proven hull design, delivers a great mix of user-friendly handling, with unusual agility and balance. The result is maximum fun and control with minimum difficulty, even for less experienced drivers.

**RiDE system (Reverse with Intuitive Deceleration Electronics)**

The revolutionary RiDE® system transforms control, bringing new confidence to riders at every level. Simply pull the lever on the right hand-grip to move forward and accelerate - pull the lever on the left grip to slow down or reverse. Yes, and with the bonus of Reverse Traction Control it really is that simple!

Comfortable seating for up to 3 people

The ergonomically designed, 2-colour, precision-sewn seat, exclusive to the EX DeLuxe, is a very secure and comfortable place to be - perfect for sports riding or cruising with up to 3 people. Its high comfort level will make you feel it's been custom-made to fit you. What's more, there's a very handy dry storage area underneath it.

**Large 50 Litre fuel capacity - for more fun time**

When you blast out on the EX DeLuxe, you probably won't want to come back too soon, so we've built in a tank with a larger fuel capacity (50 Litres) than any competitive watercraft. Which means your fun out on the water can last even longer - and you can cruise even further. Thoughtful - and typically Yamaha.

Multi-function LCD instruments

Great-looking multi-function LCD instruments mounted in a stylish cockpit panel are not something you might expect on such a keenly priced, affordable watercraft - but you'll find them on the EX DeLuxe. It offers clear, easy-to-read Speedometer and Tachometer displays, as well as informative readouts for Fuel Level and Hours Run.

The Yamaha Chain of Quality

Yamaha technicians are fully trained and equipped to offer the best service and advice for your Yamaha product. For this reason, Yamaha strongly recommends visiting an official Yamaha dealer for all your service requirements.

Yamaha Marine Parts & Accessories are especially developed, designed and tested for our Yamaha product range. Yamaha also recommends the use of Yamalube®. Yamalube® is our own range of high-tech lubricants, the lifeblood of Yamaha engines. They are developed to carry on working effectively, no matter where you drive.

Besides functional and style accessories, Yamaha offers a range of high quality, innovative boating gear. An extensive range of casual wear is also available. For more information go to:
